

PENTCO

SOFTOUCH

Having Options makes Life Smooth

COLOUR

Now you can choose from an array of available colours. Or arrange to have us match that special color that is a must for your design project.

STYLE

Softouch doors come in a range of one and two piece routed designs, from the classic to the contemporary. Make your vision absolute reality.

TOUCH

Softouch doors will not only delight the eyes, but will also appeal to your sense of touch. The silky smooth finish of a Softouch door speaks to Pentco's commitment to quality.

FINISH

A Softouch door can be further enhanced by a variety of finishing options such as low sheen and high gloss enamels, acrylics, metallics and high gloss polyurethane.

* Refer to Finish Coatings page to learn more about available door finishes.

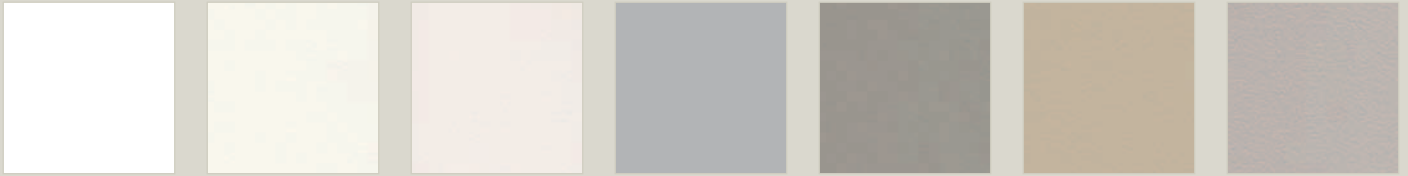

DURABLE VALUE

Softouch doors require minimal care. Only premium grade MDF and superior quality finish mediums are used to ensure a resilient, long wearing door that will give you many years of life. A Softouch door's endurance adds more value on top of its exceptional affordability.
