

Fully STOCKED LAMINATE, EXACT MATCH EDGE-BANDING

Greenlam laminates are hard wearing, Eco-conscious, economical and anti-bacterial. We carry a wide selection of wood-grains, solids, super matte and gloss, allowing you creative freedom with added peace of mind. Pentco's edge-banding has been carefully designed and matched with the exact structure, grain and finish as their chosen laminate counterpart. Pentco's PUR adhesive, allows for a water resistant and seamless transition between the edge and the panel.

PUR ADVANTAGES

- Permanent water resistant bond
- Seamless transition
- Can be applied to PVC, ABS, Laminate & Veneer
- Adds strength & durability
- Has antibacterial properties
- Great for residential, commercial & institutional use
