

Stretto

The Stretto is our newest door to join the Phase II family. Stretto - meaning "narrow" has much narrower rails and stiles than the Terzetto. Like the Terzetto, the Stretto, is a 3 piece design, which uses a V-joint to separate the horizontal grain direction of its center panel from the vertical grain direction of its outside stiles. Also available, with a vertical center panel and top & bottom rails is the Stretto T/B.

COMPARISON BETWEEN THE TERZETTO & STRETTO, SHOWING RAIL & STILE WIDTH

Note (1): Swatches should be used as a guide and not as accurate material representations.
Please contact Pentco for swatch or door samples.
 Note (2): All efforts were made to accurately present available stock selections. Pentco may change or remove selections at our discretion. Contact Pentco to get information on current stock selections.

NOTE: The use of a third hinge (non-sprung) on doors measuring 36" or more in height is required.
